Advantages of donating electronically to your parish family

Donating electronically automatically makes you a thoughtful giver. More important than frequency is faithfulness. You are 100% faithful when you give with your weekly envelope or electronically make an offering. You also provide a more steady flow of income for your parish. Giving is a public expression of faith. Dropping an envelope into the basket at offertory time shows your participation in your parish. **If you give electronically** but would like to put something in the collection basket there are small cards on the table by the front door that say "I give electronically". These will be available each week. Your gift still comes from your heart.

Contact the parish office about giving electronically.

Attention Prayer Shawls are Available

Do you know of someone who is ill or in need of emotional support and would find comfort in receiving a prayer shawl? You may come to the parish office to pick out a prayer shawl that has been knitted by one of the members of the Prayer Shawl Ministry group. A prayer card is attached to each shawl so that you can say a special prayer with the person as you present it. There is no charge for the shawl, and the recipient does not need to be a parishioner of St. Maria Goretti. However, those requesting the prayer shawl should be a parishioner. Donations are accepted.
