**THANK YOU TO THE ENVIRONMENT COMMITTEE**

If you haven't noticed yet we have a new shed donated by the Environment Committee. It will be used for storage of items in the parish office basement, the garage, the big closet in the church as well as items from behind the altar. The shed is behind the dumpster right now as we clean up pews & items that were destroyed due to the accident last October; including the orange carpet. Hopefully we'll be back in the main part of the church celebrating Mass soon
