June 2024-June Year of Mission

During this year, we are all called to evangelize, and thanks to the gift of the Holy Spirit, we are all well-equipped for this mission.

In this Year of Mission, Catholics across the U.S. are saying "yes" to a special form of heart-to-heart accompaniment called the **Walk With One** initiative.

This is your opportunity to be God's instrument in the life of another person. Imagine how our families, neighborhoods, & country will be transformed if every active Catholic answers this call!

**This Week's Gospel Reflection**

30th Sunday in Ordinary Time

"And Jesus said to him, 'Go your way; your faith has made you well.' And immediately he received his sight and followed him on the way." (MARK 10:52)

Faith is believing in something even though you may not be able to physically see it. Many people think that miracles don't happen anymore. This is hard, but try to focus on the positive and not the negative things in your life. When you focus on your blessings instead of your hardships, miracles will seem common. You will see God's active presence in your daily life. You will begin to develop an attitude of gratitude.
