How is it possible for a host to turn into the Body of Christ? When the priest pronounces the words of consecration, God intervenes with all His power and brings about the change, that is, the transubstantiation. If we really think about it, we would not find this too surprising. If God can create everything out of nothing, why can't He change one thing into another? Little Catechism on the Eucharist, Fr. Roberto Coggi

"And then they will see 'the Son of Man coming in the clouds' with great power and glory." (MARK 13:26)

We will all have that day when we are standing before God and our life is played out like a movie. When this happens and God asks each of us, "What have you done with the gifts that I have given you?" How will you respond? The good news – it's never too late to start living a grateful and generous lifestyle.
