

## **Strategic Plan**

### **Social Concerns Committee**

**Goal:** To improve involvement in the broader community

The Social Concerns Committee has accomplished the following:

- Found a family in need through The Center for Youth and Family Solutions for whom parishioners purchased Christmas gifts and gift cards
- Had the Bread for the World Letter Writing Campaign
- Collected supplies for St. Joseph the Worker House
- Collected items for foster care children's comfort care backpacks

In April, Social Concerns will sponsor a clothing drive.
